EPCOS Products: Legal Regulations on the Use of certain Substances, here DecaBDE  
DIRECTIVE 2002/95/EC (concerning ECJ judgement on the exemption of DcaBDE)

As to our best knowledge EPCOS products do not contain:

Chemical formula : DecaBDE  
Substance name: Decabromdiphenlyether

at a concentration level above the legal limits.

Best Regards

Best regards
